Hiiit Consulting / Milkiya - Casablanca, Morocco

- Developed web applications using JavaScript, React, PHP, and MySQL.
- Built and deployed web applications and websites.
- Created and integrated APIs, including data import.
- Created and managed WordPress websites, including plugin development.
- Configured Nginx servers, handled SSL, and ensured website security and performance.

Full Stack Developer

2021 - 2023

Digitalma - Casablanca, Morocco

- Custom WordPress website creation with polished design and good UX.
- Development of online stores using PrestaShop (payment, cart, catalog, etc.).
- Development of web applications using JavaScript, React, PHP, and MySQL.
- Hosting, SEO, and website security ensured.

Développeur Full Stack

Richmedia - Casablanca, Morocco

2018 - 2021

- Collaborated on the development of a university website using Symfony framework.
- Built CRM systems using PHP (MVC model) and MySQL.
- Collaboration on the development of the Nadinescafe website using Drupal.
- Customization of e-commerce sites on PrestaShop (payment, cart, catalog).
- Design of custom themes for WordPress and PrestaShop.
- Hosting, management, and maintenance of websites.
- Expertise in web development, SEO, and maintenance to ensure project success.

Web Designer & Developer

2018

Cloudme - Casablanca, Morocco

- Created attractive and functional PSD mockups in collaboration with clients.
- Converted mockups into interactive sites using HTML, CSS, and JavaScript.
- Developed dynamic websites with PHP and MySQL.
- Maintained and updated sites for performance, SEO optimization, security, and user-friendliness.

TRAINING

Digital Marketing Training

2018

Digital Marketing Expert (DME) - Casablanca, Morocco

Intensive 10-day training with DME to acquire practical skills in digital marketing, including online strategies and search engine optimization.

Senior Developer Training

2017

Bridge Value School - Rabat, Morocco

J'ai suivi une formation approfondie en développement senior à l'École Bridge Value, renforçant mes compétences pour aborder des projets de développement avancés.

Diploma in Graphic Design

2014 - 2016

École Infodesign - Casablanca, Maroc

I completed comprehensive training in Web Development and Graphic Design at Infodesign School, gaining dual expertise as a web developer and graphic designer. This experience enabled me to create websites that are both visually appealing and high-performing, thanks to a strong command of visual tools and web technologies.
